Application Deadlines

The **GAC application** deadline is 11:59 PM on **Monday, January 9, 2023**, for students enrolled in CSM-based programs. The **GAC Harmonized Award Attachment** is due by **February 15, 2023**.

Adjudication Process and Evaluation Criteria

Eligible applications will receive a primary score through the GAC review process. This is a multi-disciplinary group of reviewers who may not have the in-depth knowledge in all the projects submitted. Applicants must ensure that their project proposals can be understood by a non-specialist reviewer.

The top 50% of the applications reviewed by the GAC process will be re-reviewed by the Charbonneau Training Review Committee and adjudicated based on the following criteria:

- alignment of the proposed project to cancer research excellence;
- significance and quality of the proposed project;
- quality of the candidate (e.g., academic excellence, research experience, awards);
- supervisor's research and training environment (e.g., publications, grant support, experience in trainee supervision)

Terms of the Award

Awarded trainees and their supervisors agree to certain obligations that include but are not limited to:

- acknowledgment of Charbonneau financial support in publications, presentations, communications and marketing materials associated with the funded research project;
- participation of the awardee in training activities (i.e., courses, workshops, professional development opportunities) organized by Charbonneau

- continued application for external funding support: with a goal of increasing Charbonneau's training capacity, we require all of our awardees to explore opportunities for external awards, so that if successful, Charbonneau's training funds can be released for additional trainees.
- kindly notify us of any awards you may receive through either external or internal agencies or programs during the term of your traineeship with Charbonneau.
